

ST. JOHNS COUNTRY DAY SCHOOL

MEMORANDUM

FROM: Traci Livingston, Director of Athletics

RE: 2020 Fall Athletic Procedures for Soccer Fans and Teams

St. Johns Country Day School has safety protocols and policies in place for the health and safety of our athletes, coaches, and fans. We kindly ask that fans and visiting teams adhere to these policies. Athletic Directors, please send a copy of this information to your Head of School, fall coaches, and team parents.

Soccer and Outdoor Events Policies for Fans

- Admittance to home outdoor contests will be limited to St. Johns families, visiting team families, and coaches' immediate family. Visiting teams will send a guest pass list in advance of each contest. Guest passes are limited to 50 tickets. No visiting fans will be permitted unless they are on the guest pass list.
- Masks are required upon entry and kept on throughout the game. CDC protocols are to be followed before, during, and after every game.
- Spectators will be temperature-checked upon entry. Anyone with a temperature of 100.4 or higher will not be allowed to enter.
- Bleacher seating is marked at 6' apart; families should sit together in a pod.
- Hand sanitizer will be available throughout the venue.
- Concessions will operate at a limited level.

Soccer and Outdoor Events Policies for Teams

- All visiting teams should arrive dressed and ready to play. Locker room access will be for team restroom use only.
- Visiting teams will be temperature-checked prior to leaving their school.
- Home team will temperature-check upon arrival at the field.
- Visiting teams should supply their own water cooler, bottles, or cups.
- Sanitizer will be on each bench for all teams.
- No handshakes after the game.
- Team-only post game meeting on field with social distancing
- No family or friends allowed on the field.
- Locker rooms will be sanitized the following day if used.
- Home team administration will not police away teams' bleachers. Visiting teams are encouraged to bring their own administrator to police social distancing.
